A ROBBER'S MAGNANIMITY.

steamboating was comparatively in its infancy, and so sparsely was the country settled that the red man still retained his foothold, although his absolute sway was over. To the traveler Murrell was a terror, but to the squatters for many miles around his cave he was rather a friend than herwise, for he had never been known to harm any of them, and he had often lent them his aid in time of trouble. Especially had he befriended them from outrages by the savages, and he was not slow to avengeany wrong inflicted upon them oy red man. Murrell had been idle and even melancholy. His men ventured to whisper among themselves that their captain was becoming indolent, and some of them declared that he had received a vast quantity

All summer the captain had talked of incursions, but they had been delayed from time to time, and nothing had been accomplished. The stood for an instant upon the levesnation forever. stock of provisions had become se far exhausted that the robbers were now compelled to subsist principally on game. They became discontented and some of them openly grumbled; but a single frown of the chief was
